“From the Vice Chancellor’s Desk”

Greetings!

It is my privilege to present to you the 10th Annual Report of the ICFAI University, Mizoram for the year 2015 – 16. The report covers the activities for the period April 01, 2015 to March 31, 2016. This is in compliance with Section 44 of the Institute of Chartered Financial Analysts of India University, (Mizoram) Act, 2006 (Act No.4 of 2006). The enclosed report presents details of various activities of the University including co-curricular activities like sports and cultural activities.

I am pleased to share that the Fourth Convocation of the University was held on November 05, 2015 at the ICFAI University Auditorium campus wherein 95 students were awarded degrees. Honorable Governor of Mizoram Lt Gen. Nirbhay Sharma, PVSM, UYSM, AVSM, VSM (Retired) was the Chief Guest.

The University has established its name for employment oriented quality higher education and we have been able to place all the students of MBA Program. This year we are adding new programs in the field of Social Work, History and Education to broaden the academic scope of the University and also to attract the students from diverse backgrounds.

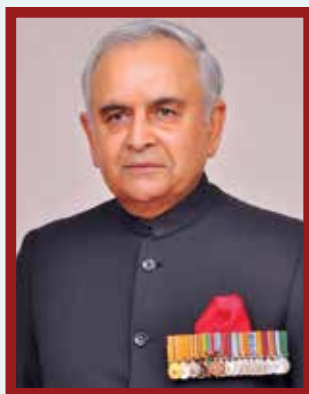

We are grateful to the Government of Mizoram for their continuous support and encouragement. The continued cooperation extended by the Local Council of Durtlang North is noteworthy.

Regular meetings of Board of Governors and Board of Management, Academic Council and Finance Committee were held as per provisions of Statutes and Act. I would like to place on record the good work done by the faculty members and staff at the University without which we would not have been able to achieve all the success that we had.

Prof. J. P. Ramappa
Vice Chancellor

The Visitor

His Excellency
Lt. Gen. Nirbhay Sharma (Retd.)
PVSM, UYSM, AVSM, VSM
Governor of Mizoram

The Chancellor

Prof. Subhash Sarnikar
Chancellor

1. Introduction

The ICAI University, Mizoram was established under the provisions of the Institute of Chartered Financial Analysts of India University, (Mizoram) Act 2006, (Act No. 4 of 2006). The University is sponsored by The ICAI Society, a not-for-profit educational society established in 1984.

The University emphasizes on providing high quality and industry relevant education in the areas of Management, Humanities, Commerce, Information Technology, Hospitality & Tourism Management and Diploma and Certificate programs including distance learning programs. The ICAI University, Mizoram is a Member of the Association of Commonwealth Universities, London and Member of the Association of Indian Universities, New Delhi.

The University believes in creating and disseminating knowledge through innovative educational programs, research, consulting and publishing.

The University seeks to establish a cadre of professionals with a high level of competence and deep sense of ethics and commitment to the code of professional conduct.

2. Vision: Merit with Ethics

Vision: The ICAI University Mizoram will emerge as a premier center of excellence for career oriented education known for contributing leaders in a vital sector of the state's economy.

Mission: The mission of the University is to offer world class, innovative, career-oriented professional post graduate and undergraduate programs through inclusive technology-aided pedagogies to equip students with the requisite professional and life skills as well as social sensitivity and high sense of ethics. The University will strive to create an intellectually stimulating environment for research, particularly into areas bearing on the socio-economic and cultural development on the state and the nation. Particularly into areas bearing on the socio-economic and cultural development on the state and the nation.

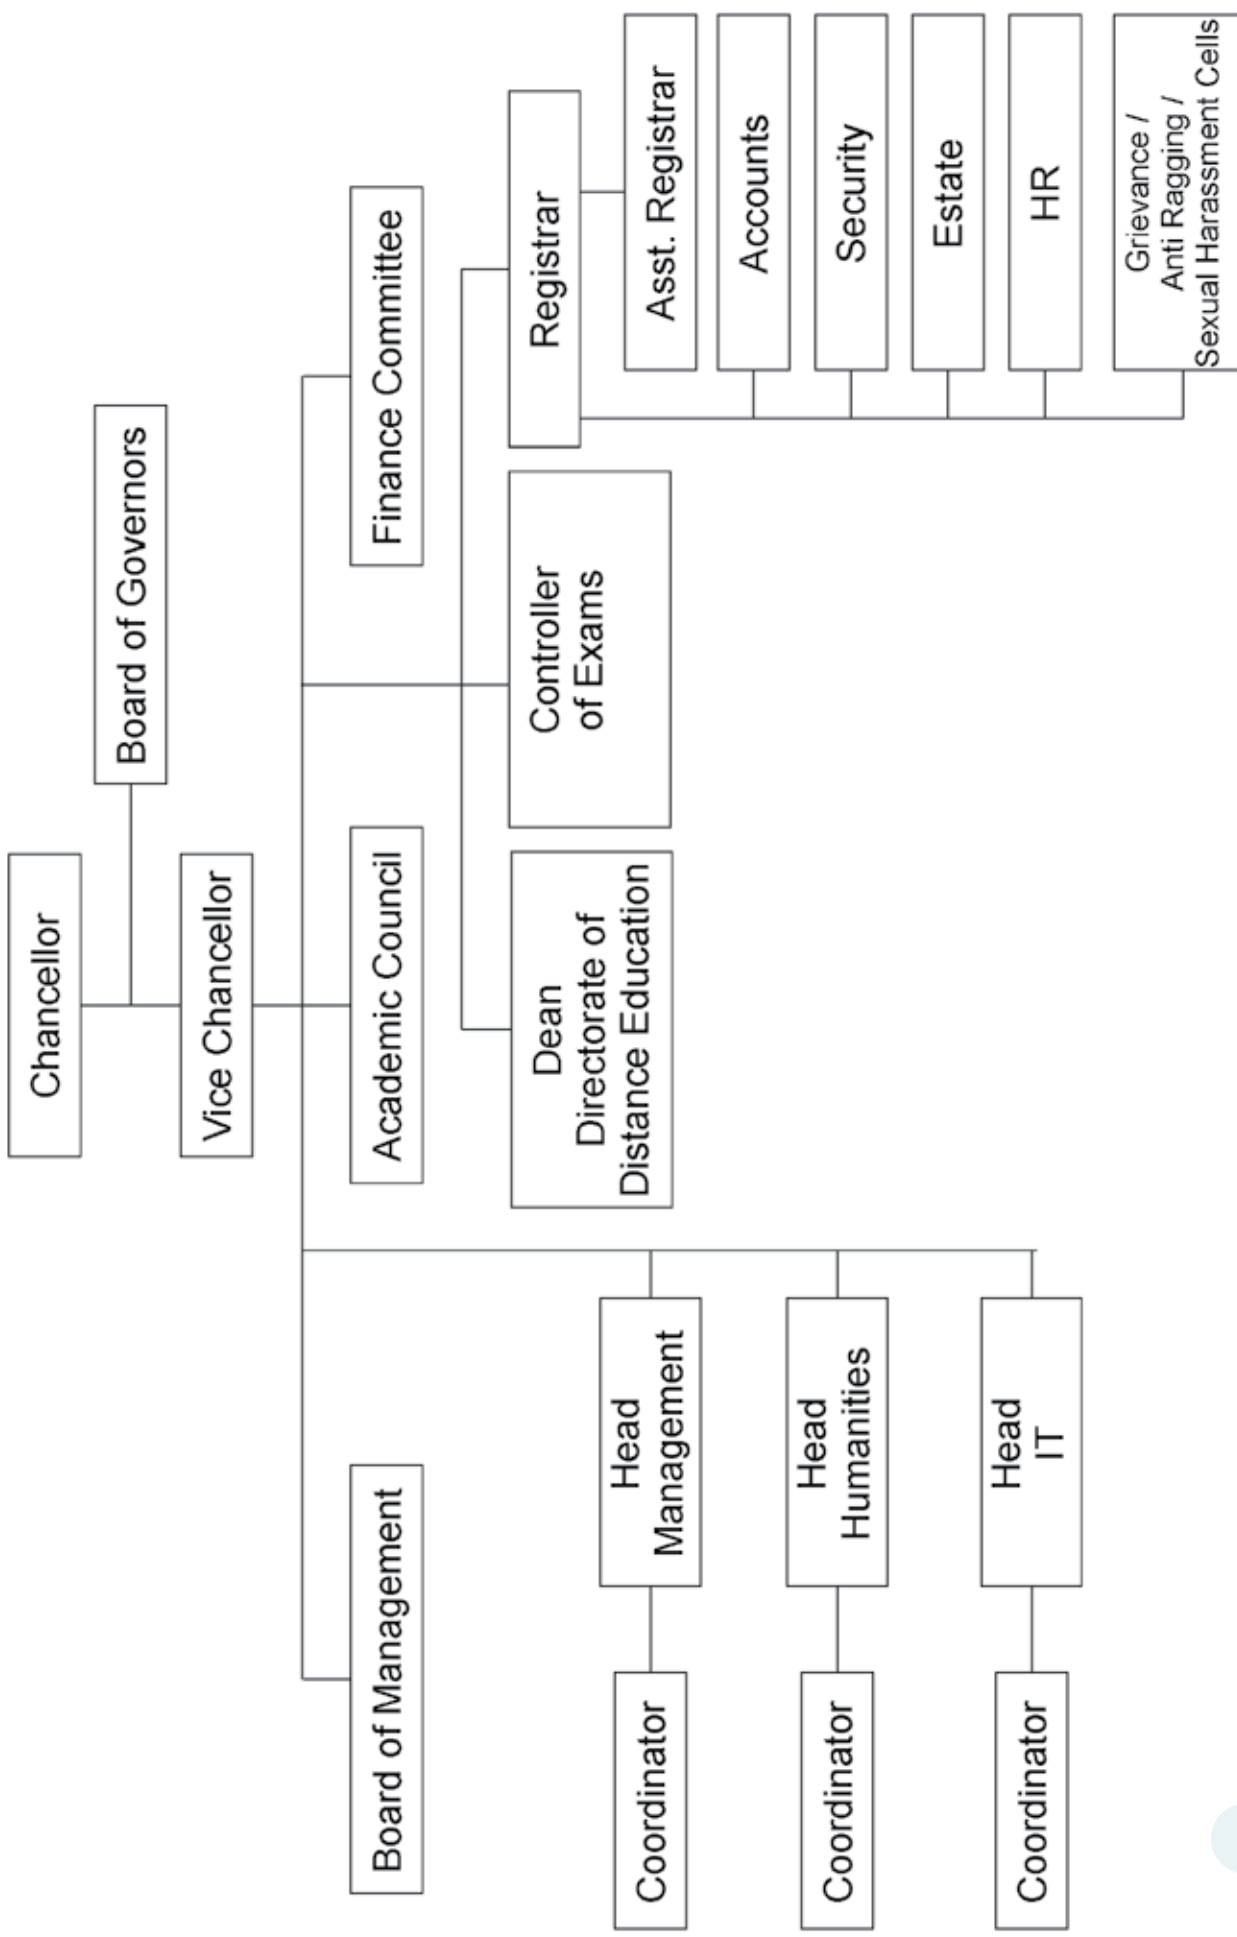

3. Governance

The ICAI University, Mizoram is a professionally managed University. All the statutory bodies are constituted in accordance with the Act, Statutes and Rules of the University. They meet regularly to review the operations of the University. Issues pertaining to institutional development, long-term strategies, programs to be developed, human resources, staff recruitment, training and development and financial matters are discussed at these meetings. Appropriate decisions are taken and guidelines given for their implementation with the objective of achieving academic excellence.

6. Accreditations

University Grants Commission (UGC)

The University is empowered to award degrees under Section 22 of the UGC Act, 1956.

Distance Education Council (DEC)

The Distance Educational Council (DEC) through its letter No. DEC/Mizo/ICFAI/08/15386, Dated 3rd November, 2008 has approved the ICFAI University, Mizoram to launch programs through distance education mode.

7. Infrastructure

The University is endowed with excellent facilities required for creating a congenial academic atmosphere. State-of-the-art infrastructure is available at the University to meet the requirements of the programs conducted.

a) Academic Complex

The University campus is spread across nearly 17.58 acres of land with built-up area of 43,000 sq.ft. The University campus is operating its functions from its own premises. The Classrooms are well-equipped with latest audio-visual equipment and LCD Projectors. There are many other facilities like language lab with 20 stations, IT lab, Auditorium that has 300 seating capacity and Video Conferencing room. The campus is also well equipped with firefighting system, water harvesting and modern filtration system.

Infrastructure Details	
Campus area	17.58 acres
Campus built-up area	43,000 Sq. ft.
Computer Lab	60 workstations
Language Lab	20 workstations
Library	over 13,500 books and 27 journals /magazines
Auditorium	240 seating capacity
Classrooms	19

Students at IU Mizoram University Building

b) Library

The University has a well-stocked library. Students have access to the finest selection of contemporary books and journals which supplement the prescribed reference books and textbooks, providing students an opportunity to gain significant appreciation of Management and IT subjects, going well beyond the classroom-based program.

Library

The Library is augmented with books, periodicals, journals, magazines and other publications on a regular basis.

The Library is managed with the SOUL Library Management software and an integrated management process for the library has been put in place.

c) Uninterrupted Power Supply(UPS)

The University has uninterrupted power supply supported by a 10KVA online UPS (Sukam IQ 1110).

d) Computer Facilities

The University is provided with the necessary latest hardware and software infrastructure to cater to the computing needs of all students and faculty and the training needs of information technology related courses. It is equipped with servers and multiple terminals with multiple operating systems enabling a client-server environment.

The computer laboratory is equipped with a broadband internet connection with unlimited download and monitored by a Server with latest software.

e) Router

A Mikrotek RTS 2011-UiAS router has been installed and is currently being integrated with the University's intranet network.

f) Internet Connectivity

A 2Mbps internet connection from M/s Airtel, Guwahati has been in operation.

g) English Language Lab

The English Language Lab consists of dedicated hardware and software designed for language training. The lab has 20 student terminals and one instructor's terminal with voice input and output equipment.

English Language Laboratory

h) BHM Practical Rooms

In recognition of the importance of practical experience in the Hospitality field, the University has set up practical labs for food production, housekeeping and front office training. The facilities are designed to give the students the hands on experience that will give them an edge in the job market.

BHM Students at the Food Production Lab

i) Geography Lab

A Geography Laboratory has been established to undertake such activities as cartography, GIS and soil testing etc.

Students playing Basket Ball

j) Sports & Recreational Facilities

The University provides recreational facilities for indoor games like Table Tennis and Carroms. The University has also installed a Basket Ball Court in the campus court yard for the students. Clubs have been formed for activities like Dance and Photography. The

University also has sports teams in Cricket, Football and Basketball.

k) Water Harvesting System

The University has a water harvesting system to offset some of its water requirements.

l) University Canteen

The University has a canteen facility which can seat 80 students at a time. The canteen is managed by a third party vendor and was set up to meet various student needs.

m) City Office

As the campus is located on the outskirts of the Aizawl City, the University maintains a City Office to facilitate the sale of prospectus, to attend to enquiries and to receive application forms. The Office also serves as a base of operations for other institutional activities in the City.

n) Exterior Painting

Due to the high rainfall and humidity in Mizoram, the exterior paint of the University building has been worn and severely discolored. This year major repainting and repair work was completed.

Students at Freshers Day Celebrations

BA General	
2015-18	12
Total	12

9. Distance Education Programs

Establishment of Directorate of Distance Education

The University has established Directorate of Distance Education to offer Bachelor's and Master's programs in Management and Information Technology under distance learning mode in the year 2008.

Programs Offered

Directorate of Distance Education offers following programs under distance learning mode:

PG Programs:

MBA: The Master of Business Administration (MBA) Program offered by the Directorate of Distance Education is designed to provide both a portfolio of strong functional skills and the ability to apply, adapt and integrate those skills in different management settings.

Eligibility: Graduation (any discipline) in English Medium

Duration: The program should be completed within a maximum period of 4 years.

UG Programs

BBA: The Bachelor of Business Administration (BBA) Program aims to impart knowledge and understanding of the basics of management. It is designed for students

seeking a career in management after graduation and also for those who wish to progress to the MBA qualification later.

Eligibility: 10+2 (any discipline) in English Medium

Duration: The program should be completed within a maximum period of 6 years.

BCA: The Bachelor of Computer Applications (BCA) Program is a professional program in information technology at the graduation level. It provides a strong foundation in technical aspects of computers and their applications. Also gives a basic understanding of concepts, strategies, tools and techniques of computer applications and their implications.

Eligibility: 10+2 (any discipline) in English Medium.

Duration: The program should be completed within a maximum period of 6 years.

Admission Procedure

Students willing to enroll into the program are required to submit the application form along with the prescribed admission fee. All students who fulfill the eligibility criteria will be enrolled into the program and their enrollment will be confirmed.

Students are required to register separately for each module/year by paying a prescribed registration fee. Such students will be provided self-learning material.

Study Centers

The ICAI University has two study centers in the state of Mizoram.

Study Centre - I
University Campus, Durtlang North, Aizawl, Mizoram - 796025
Study Centre - II
ICFAI University Mizoram City Office, Pu Liansiama Building, Chanmari, Opp KFC, Aizawl, Mizoram - 796007

Counseling Classes

Counseling Classes constitute an important component in the distance learning methodology. They enable students to gain an in-depth understanding of the subjects through interaction with the faculty and other participating students.

The counseling classes are conducted at the Study Centres within the State of Mizoram. Students are advised to attend the counseling classes.

Practical classes are compulsory to BCA students. However, prior permission may be obtained in case of students who are having access to the computers at their offices subject to certification given by their supervisor or head of the organization.

Evaluation Criteria

The examinations are conceived, developed and administered on a rigorous and fair basis to bring out the best in the students and prepare them for challenging careers. The Examinations are conducted as follows.

Continuous Evaluation: Continuous evaluation will be in the form of Assignments, which forms 30% of weightage.

Term-End-Examinations: These are conducted twice a year in March-April and September-October. The weightage is 70%.

Guv graces 4th Icfai convocation

Staff Reporter
ICFAI University Mizoram organised its 4th Convocation programme at its main hall of the varsity campus, Durtlang North which was graced by Governor Lt Gen Nirbhay Sharma as chief guest. The governor disbursed degree certificates to 59 under-

graduates and post-graduates, including gold and silver medals to outstanding students.

ICFAI University Mizoram currently provide 16 courses in bachelor and master degrees and is ready to open eight more different courses in the next academic session.

ICFAI vice chancellor Prof. J. P. Ramappa said, the Icfai University that spreads in 16 states in India is one of the largest private universities in India. There are 11 ICFAI Universities, 11, 19 ICFAI Business Schools, seven ICFAI Tech and five ICFAI Law Schools across India.
